

UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF NEW YORK

UNITED STATES OF AMERICA,

Plaintiff,

-against-

TENGIZ KHUKHIASHVILI,

Defendant.

ORDER

18 Crim. 509-10 (GBD)

----- X  
GEORGE B. DANIELS, United States District Judge:

The sentencing scheduled for June 3, 2020, is hereby RESCHEDULED to occur as a videoconference using the CourtCall platform on **June 3, 2020**, at **11:00 a.m.** As requested, defense counsel will be given an opportunity to speak with the Defendant by telephone for fifteen minutes before the sentencing proceeding begins (i.e., at **10:45 a.m.**); defense counsel should make sure to answer the telephone number that was previously provided to Chambers at that time. (Chambers will provide counsel with a telephone number at which the interpreter can be reached at the time of the pre-conference; it is counsel's responsibility to conference the interpreter in with the Defendant for the pre-conference.)

To optimize the quality of the video feed, only the Court, the Defendant, defense counsel, and counsel for the Government will appear by video for the proceeding; all others will participate by telephone. Due to the limited capacity of the Skype system, only one counsel per party may participate. Co-counsel, members of the press, and the public may access the audio feed of the conference by calling (917) 933-2166 and entering the code ID 107221738.

To optimize use of the Court's video conferencing technology, all participants in the call must:

1. Use a browser other than Microsoft Explorer to access Skype for Business;

2. Position the participant's device as close to the WiFi router as is feasible;
3. Ensure any others in the participant's household are not using WiFi during the period of the call;
4. Unless the participant is using a mobile telephone to access Skype for Business, connect to audio by having the system call the participant;

If there is ambient noise, the participant must mute his or her device when not speaking. Further, all participants must identify themselves every time they speak, spell any proper names for the court reporter, and take care not to interrupt or speak over one another. Finally, all of those accessing the conference — whether in listen-only mode or otherwise — are reminded that recording or rebroadcasting of the proceeding is prohibited by law.

To the extent that there are any documents relevant to the proceeding (e.g., proposed orders or documents regarding restitution, forfeiture, or removal), counsel should submit them to the Court (by email or on ECF, as appropriate) at least **at least 24 hours prior to the proceeding**. To the extent any documents require the Defendant's signature, defense counsel should endeavor to get them signed in advance of the proceeding as set forth above; if defense counsel is unable to do so, the Court will conduct an inquiry during the proceeding to determine whether it is appropriate for the Court to add the Defendant's signature.

SO ORDERED.
